COMPANY PROFILE

Our Backstory

At Gazelle Business Solutions, we are committed to excellence in construction and comprehensive building solutions. With decades of experience in the industry, we have established ourselves as a trusted provider of high-quality construction services.

Founded in 2019, Gazelle Business Solutions builds on five years of successful operations in India under the names NGL Construction and NGL Property. With a legacy of quality and dedication, we have expanded our services to Oman, where we are committed to delivering excellence in construction, waterproofing, electrical work, flooring, renovation, and more.

Currently based in Oman, we are dedicated to providing top-tier construction solutions that meet the diverse needs of our clients in the region. Our team brings a wealth of experience and a client-focused approach to every project, ensuring high standards, timely completion, and exceptional service. At Gazelle Business Solutions, we strive to create spaces that are functional, sustainable, and designed to inspire.

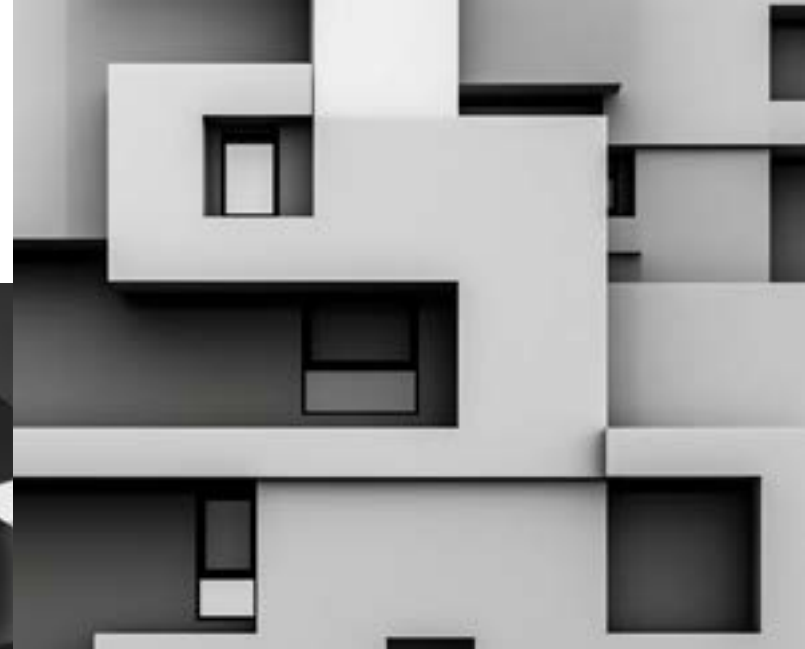

Our Mission

Our ultimate construction project is our very own. With every day of operations, Gazelle Business Solutions is redefining the management contracting industry to be entirely client-focused, result-driven, and centered on delivering personalized solutions. Our goal is to create a seamless, luxurious experience for every client, regardless of project scale. Whether a substantial commercial development or a small-scale renovation, we approach each endeavor with the same dedication and precision, ensuring that Gazelle's commitment to excellence shines through in every project we complete.

Core Values

- Integrity
- Quality
- Innovation
- Customer-Centric Approach

Our Foresight Vision

We aspire to become lifelong construction partners for every client we work with, building strong relationships with customers, design professionals, subcontractors, and tradesmen. Through our commitment to providing innovative engineering and financial solutions, we aim to set new standards in the industry. By continuously enhancing our capabilities, we strive to demonstrate the impact that skilled contracting engineers can have in solving practical challenges. Our goal is to extend our influence beyond Oman, making a meaningful mark across the MENA region.

Construction

We manage comprehensive construction projects for both residential and commercial properties, ensuring quality and durability in every build. Our team of skilled professionals delivers high-quality, structurally sound buildings that combine aesthetics with functionality.

Waterproofing Solutions

Our waterproofing services protect structures from moisture damage, extending the lifespan of buildings and reducing maintenance costs. We provide a range of tailored solutions for various construction types.

Electrical Work

From wiring to complex installations, we offer reliable and compliant electrical services. Our team ensures safe, efficient electrical systems that meet both client needs and industry standards.

Plumbing Works

Our plumbing services cover all aspects of installation, maintenance, and repair. We use quality materials and follow best practices to ensure efficient, long-lasting plumbing systems.

Flooring

We offer a variety of flooring options, including tile, wood, vinyl, and carpet, to bring both style and functionality to any space. Our installation experts work with high-quality materials, enhancing the ambiance of homes and businesses alike.

Landscape Works

Our landscaping services transform outdoor spaces into beautiful, functional environments. We handle everything from planning and design to installation, creating green spaces that complement the surrounding architecture.

Renovation and Remodeling

Whether it's a full remodel or targeted upgrade, we bring new life to existing spaces, enhancing both beauty and value. We work closely with clients to bring their vision to life, creating modern, refreshed environments.
